

## Congressman Hakeem Jeffries (D-NY)

Hello,

I'm Congressman Hakeem Jeffries, I represent the 8th Congressional District here in New York and also have the honor of serving as Chair of the House Democratic Caucus.

I want to thank you for extending the invitation for me to participate in this conference where we are discussing a free, secular and non-nuclear Iran.

The Iranian government brutalizes its citizens and exports terrorism throughout the world.

And so I commend you on your courage, on your strength and on your leadership in helping to bring about a free, a secular and a non-nuclear Iran and to give the Iranian people the types of freedoms and liberties that they deserve.

I stand with you.

I know that Members of Congress on both sides of the ideological spectrum, Democrats and Republicans and both sides of the Capitol, the House and the Senate stand with you.

And that the Biden administration also understands the importance of bringing about a free, a secular and a non-nuclear Iran.

We want to unleash the brilliance and the talents and the abilities of the Iranian people that are being suppressed by a brutal regime and lift up freedom and liberty for all.

God bless you. God bless your efforts. And, of course, God bless the United States of America.
