Thousands to Rally in New York for a Free Iran

Calling for Full Enforcement of Snapback Sanctions

NEW YORK CITY- As the Iranian regime's president is scheduled to address the UN General Assembly, thousands of Iranian Americans will rally for two days across from the United Nations to denounce his presence and support Maryam Rajavi, the president-elect of the National Council of Resistance of Iran and her Ten-Point Plan for a democratic, secular, and non-nuclear republic Iran.

The rally participants will call for the full enforcement of UN Security Council sanctions on the regime.

The participants call for regime change by the Iranian people and reject all forms of the dictatorships, as the protesters in Iran have been chanting, "Down with the oppressor, be it the Shah or the Supreme Leader."
